## **FOREWORD**

Dear Customers,

We are pleased to present to you the Service Delivery Charter (SDC) of the Jackson F. Doe Memorial Regional Referral Hospital for the forthcoming three years 2024-2027. The SDC will serve as a guide to the public on the quantity, quality, and conditions of services that we provide.

The SDC also provides information about your rights and the channels for which you can report and get redress when your rights are violated.

With this SDC, we are making a commitment to providing our services at the highest possible standards and we'll do our best to and sure effective implementation of the SDC. We welcome feedback from the public so that we can continuously improve on these standards and by extension, the quality of our services, for the betterment of the people of Liberia.

The Jackson F. Doe Memorial Regional Referral Hospital also recognizes that the delivery of quality service can only be achieved through a motivated professional workforce. We shall, therefore, continue to invest in our staff and retrain them on a continuous basis. By outlining our commitments to you, we are seeking to match our quality of service to your needs. The Jackson F. Doe Memorial Regional Referral Hospital therefore looks forward to continuous support from the public as it embarks on implementing this SDC.

Dr Victor Z. Kaizer

Chief Executive Officer (CEO)  
Jackson F. Doe Memorial Regional Referral Hospital

## ACKNOWLEDGEMENT

We would like to express our heartfelt appreciation to everyone who contributed to the development of our SDC for JFDMRRH. This document represents the collective effort and dedication of numerous stakeholders, tirelessly contributing to the initiation, information gathering processes, document completion, and most importantly, to the effective implementation of this all-important document.

Accordingly, our sincere appreciation goes to the President of the Republic of Liberia, His Excellency, President Joseph N. Boakai Sr., whose signature initiative established the Performance Management and Compliance System (PMCS) that is essential for achieving service excellence in the public Sector.

Our profound appreciation also goes to the Director General of the Cabinet, Hon. Nathaniel T. Kwabo, and the staff of the Cabinet Secretariat for their guidance and support with this noble initiative.

The development of this SDC would not have been possible without the vital technical assistance from PMCS's Consultant, Mrs. Doris Idahor, at the national level, and Jackson F. Doe Memorial Regional Hospital, at the institutional level. We extend our appreciations to the following individuals and groups for ensuring the development of the SDC:

- Dr Victor Z. Kaizer (CEO), Jackson F. Doe Memorial Regional Referral Hospital: Your visionary leadership and unwavering dedication have been instrumental in making the formulation of the charter a reality.
- Clinical Staff: The dedication and efforts in patient care have laid the foundation for successful development of the SDC. Each of you has demonstrated exceptional commitment to excellence in service delivery, ensuring the highest standards of care.
- Administrative Team: We are grateful to the administrative staff for their assistance in coordinating meetings, facilitating discussions, and ensuring that all voices were heard during the drafting process. Your organizational skills have been crucial to our success.
- Patient and Community Representatives: Your feedback has been essential in aligning our services with the needs of those we serve.
- Charter Drafting Committee: The meticulous work in crafting the guiding framework for the SDC reflects your deep understanding of our mission and objectives and collaborative spirit and dedication to stakeholders inputs have resulted in the a robust charter that will guide us toward success.

Finally, our deepest appreciation goes to the hardworking and dedicated staff, particularly, the frontline employees, who daily represent the JFDMRRH in interfacing with our patients/client and providing quality services to meet their needs. Your efforts and professionalism will bring to life the spirit of this charter.

C. Emmanuel Johnson

Focal Person, PMCS - JFDMRRH

# 1 INTRODUCTION

## 1.1 Background

The JFDMRRH is an arm of the Government of Liberia (GOL), responsible for providing primary, secondary, and tertiary level health care to the people of Liberia and beyond.

This SDC for JFDMRRH therefore, constitutes a social contract, commitment and agreement between JFDMRRH and citizens of Liberia. It sets out our services and responsibilities to continuously improve performance and quality of services to citizens. It enhances and fast tracks the delivery of services to improve the lives of our people. The SDC enables service beneficiaries to understand what they can expect from us, and forms the basis of engagement between JFDMRRH and citizens.

## 1.2 Rationale

The rationale for the development of this Service Charter is to guide the delivery of quality services to the people and ensure optimal utilization of limited resources in the shortest time possible. The Charter explains what JFDMRRH is supposed to provide in terms of services, as well as eligibility conditions for accessing these services. The charter will also serve as a benchmark to assess the JFDMRRH's performance, as defined by our mandate and the GOL's development plan.

The SDC shall allow the Jackson F.Doe Memorial Regional Referral Hospital to:

- Define the services offered by us to the citizens of Liberia
- Outline the service standards that underpin the services offered
- Inventory our commitments towards meeting the general and specify needs of the public.

## 1.3 Objectives

The objectives of this SDC are to establish clear service commitments and enhance the relationship between JFDMRRH and the citizens of Liberia. This SDC is designed to guide the institution in delivering high-quality, accessible, and responsive services. Specifically, the objectives are to:

1. **Enhance Service Delivery Culture:** Foster a culture of high standards and responsiveness within the institution, ensuring that public services are delivered effectively, efficiently, and professionally.
2. **Clarify Roles and Responsibilities:** Define the responsibilities of both the institution and service users, helping to set clear expectations and promoting accountability on both sides.
3. **Promote Accountability and Transparency:** Strengthen accountability by openly stating service standards, timelines, and processes, and by providing mechanisms for feedback and redress when standards are not met.
4. **Encourage Continuous Improvement:** Establish a foundation for on-going improvements to service quality, informed by citizen feedback and periodic reviews of institutional performance.

5. **Strengthen Public Trust:** Build and maintain public confidence in the JFDMRRH by demonstrating commitment to service excellence and addressing public needs with integrity and fairness.
6. **Support National Development Goals:** Align institutional service delivery with the Government of Liberia's broader goals for development, good governance, and citizen engagement.
7. **Combat Corruption and Promote Ethical Standards:** Reinforce ethical standards in public service, reduce opportunities for corruption, and promote fair and equitable treatment for all citizens.

This Service Delivery Charter serves as a framework to fulfill these objectives, ensuring that the JFDMRRH operates with transparency, reliability, and a focus on citizen-centred service.

## 1.4 Scope of Application

This SDC applies to all departments, offices, and staff members of the JFDMRRH, encompassing both central and regional levels. It is intended to guide all personnel in delivering consistent, high-quality public services to the citizens of Liberia, aligning with the standards and commitments outlined within this document.

Specifically, this Charter covers:

### 1. All Service Locations:

- This includes the central and sub-office that provide public services on behalf of the JFDMRRH.

### 2. All Service Personnel:

- The SDC applies to all staff, from frontline service providers to senior management, who interact with the public or contribute to service delivery.

### 3. All Public Services Provided by the Institution:

- Each service offered by JFDMRRH falls under the standards and commitments described in this Charter. It defines expected service levels, timelines, and patients/clients care practices for all public-facing services.

### 4. Interactions with All Service Users:

The SDC governs the institution's interactions with all clients, including citizens, businesses and organizations that seek or utilize services from the JFDMRRH.

- This SDC establishes a unified approach to service delivery across all levels and locations of the JFDMRRH, ensuring that every citizen receives the same high standard of service, regardless of location or point of contact.

## 2 WHO WE ARE

The JFDMRRH is a key institution within the Government of Liberia, dedicated to providing exceptional healthcare services to our community and beyond, comprehensive medical care with compassion, respect and dignity. Our diverse team of healthcare professionals including doctors, nurses, specialist, and support staff works collaboratively to ensure that every patient receives personalized attention and high quality treatment. Our mission is to foster a healthcare environment that emphasizes safety, quality, and innovation. We continuously seek to improve our services through ongoing education and training for our staff investment in advanced medical technologies and adherence to best practice.

As a hospital, we trusted partner in health, committed to empowering our patients and community through, accessible, equitable, and high-quality healthcare services. Through our services Charter, we aim to define our promises, and reinforce our unwavering dedication to excellence in healthcare.

### 2.1 Vision

To be the leading regional hospital providing exceptional, accessible, and sustainable healthcare services to improve the quality of life in Liberia.

### 2.2 Mission

To deliver patient-centred, high-quality, and affordable healthcare services through professionalism, innovation, and collaboration.

### 1.3 Values

*Our core values are:*

- ❖ **Integrity:** We adhere to the highest standards of honesty, ethics, and accountability in all our interactions and decisions.
- ❖ **Transparency:** We commit to openness in our actions and decisions, ensuring that our processes are clear and accessible to the public.
- ❖ **Responsiveness:** We strive to address the needs and concerns of the public promptly, ensuring timely and effective service delivery.
- ❖ **Equity and Fairness:** We ensure impartiality in our services, providing equal treatment and opportunities for all individuals, regardless of background or status.
- ❖ **Compassion and Respect:** providing empathetic care to patient and their families, valuing diverse perspectives and fostering an inclusive environment.
- ❖ **Excellence:** committing to continuous learning and improvement in all aspects of care
- ❖ **Accountability:** Being answerable to our patients and their families, and stakeholders.
- ❖ **Accessibility:** Strengthening community involvement in service delivery planning and to transmit information as it relates to our services.

- Provide us with comprehensive and accurate details about your past medical records and be complaint as regard to taking medication or following any other prescribed treatment.
- Follow the prescribed and agreed treatment plan and carefully comply with the instructions given.
- Accept responsibility for decisions you make regarding the treatment.

- Do not take medication independent of medical advice.
- Do not ask us to provide incorrect information, receipts, or certificates.
- Do not waste medical resources and time unnecessarily.
- Accept, where applicable, adaptations to the environment to ensure a safe and secure stay in hospital with a full explanation from our staff.
- Accept the measures taken by the hospital to ensure personal privacy and confidentiality of medical records.
- Provide correct information regarding identity and financial status.
- Strictly follow the Hospitals Visitors Policy to protect the environment.
- To utilize the health care system appropriately and do not abuse it.

## 7. Feedback and Complaints Mechanism

We values the voices of our patients and recognize that feedback is essential for improving our services . therefore, Patients, and clients, can provide feedback or lodge complaints through following step-by-step approach:

**▪ Initial communication:**

Upon arrival at the hospital or during care , patients are encouraged to speak directly to departments supervisor, designated social worker, or designated staff if they do have any concerns or feedback;

**▪ Formal Feedback submission**

Patients can acces feedback forms at various location within the hospital :Administrator office, Outpatient Department , Receptionist desk at our Sub-office in Monrovia. These forms allow patients to provide detailed feedback about their experiences.

**▪ Online submission**

Patients also have option to submit their feedback through our hospital website or patients portal ,email address, ensuring accessibility to all.

**▪ Dedicated hotline**

A dedicated hotline is available for patients who prefer communication. The options include : clinical: +231886546307/886405837,Administrative services: +231886922695, and email:[jfdhospadm@gmail.com](mailto:jfdhospadm@gmail.com)

**▪ Confirmation of receipt:**

Once feedback or compliant is submitted patients will receive acknowledgment within 24-48 hours, assuring them that their input is valued and being reviewed. Internal Review.

The relevant department will conduct a thorough investigation of the feedback or compliant, gathering information from involved staff and reviewing medical records, if necessary.

- **Response Timeline:**

Resolution within 10 working days

- **Patient involvement**

Patient may be contacted for further clarification or additional information during the investigation process.

- **Communication findings**

Once the investigation is complete, the hospital will communicate the findings and any actions taken to address the concern back to the patient.

- **Action plan**

If applicable, an action plan will be developed to prevent future occurrences, and improve service delivery

- **Patients follow-up**

Following the resolution, follow-up communication will take place to ensure that patient can provide any further feedback.
